This Agreement may be rejected where Participant has selected a Participation Level for which Participant is not qualified per the table above. CDSA reserves the right in its sole and absolute discretion to deny participation to any person or legal entity if it finds that such participation could compromise the integrity of the CDSA service or its participants, or for the protection of the rights of CDSA, other participants or other subscribers to the CDSA service.

The term of Participant’s participation shall be on a year-to-year basis, expiring on the day preceding each anniversary of the date of acceptance of this Agreement by CDSA. The Corporation will invoice the then-current renewal fee to Participant ninety (90) days prior to the expiration of each annual term, and Participant’s payment shall constitute a renewal of its participation in CDSA. Failure to make a timely renewal payment may cause suspension and termination of Participant’s participation. The decision to renew shall be at the discretion of the Participant.

Participant agrees that all fees received by CDSA shall be deemed earned in full and will be nonrefundable except as described in the CDSA Terms of Use, which are incorporated by reference and applicable to all subscribers of the CDSA service. By executing this Agreement, Participant also agrees to the CDSA Terms of Use, which does not need to be signed separately.

For any Level of Participation accepted, CDSA will generate an invoice for the Participant’s first year of Participation fees. Payments may be made payable to the order of "Content Delivery & Security Association".
